

Bochum, 29th April 2015

Dear Business Partners and representatives of the press, dear Ladies and Gentlemen,

in the past 20 years we have invented some of the – as insiders say – world's best HiFi machines. So, just as scientists do from time to time, we have reinvented ourselves as the new powerhouse of German High End.

Audionet restarts with full steam – and you are invited to be a part of it.

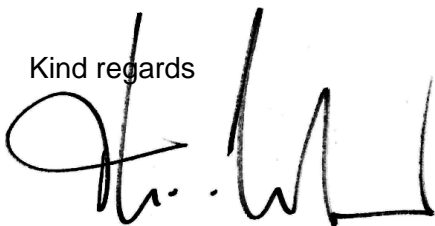

We cordially invite you to visit us at the High End 2015 in Munich, in Showroom E101 or in the dealer/press center F001, and look forward to getting acquainted with

- new and better products (hard- and software)
- new distribution concept
- new marketing
- new team
- new power
- Made in Germany – by some of the best folks in this business joining forces

I am sure that we will surprise and impress you!

Looking forward to seeing you in Munich.

Kind regards

Thomas Gessler
(CEO)
